

INVITATION TO PUBLIC CONSULTATION EVENTS FOR CRAIGNEIL WIND FARM PROPOSAL

ESB invites you to our second round of consultation events for our proposed redesign of the consented Craigneil Wind Farm.

The Craigneil Wind Farm project, located approximately 6.5km to the northwest of Stonehaven, received consent in September 2022. The consented project is for 11 turbines at 135m in height.

The original project was submitted in 2018 - technology and commercial viability considerations have moved on since the original submission and we are now looking at a redesigned project of seven turbines, up to 180m in height.

PUBLIC EXHIBITION EVENTS

Mackie Academy (The Plaza), Slug Road, Stonehaven, AB39 3DF
on **Tuesday 17 September 2024, 4pm – 8pm**

Old Sheriff Court House, Dunnottar Avenue, Stonehaven, AB39 2JH
